Mr. J. J. Collier,
Corpus Christi, Texas.

Dear James;

Your letter of Jan. 11th. came duly to hand.

D. C. C. has not yet returned from Europe, I think he will sail from London on or about Feb. 8th. I trust that you are getting along all O.K. I expect to see your people some time this spring. I think it will be possible for me to slip off for a week or ten days.

With usual sincere regards to all the family, I remain

Sincerely.
